

Hussar Stampede Well Attended

Hussar, May 24th.—The Hussar Stampede was held on Monday, the 24th, with a good crowd in attendance. The events were run off smoothly and briskly and with credit to the stampede managers. The bucking, with saddle, was won by Jack Sherman of Calgary; second, Loren Thompson of Medicine Hat and third, Urban Doan of Halkirk. Bareback bucking was won, first by Jack Grant of Glendon; second by Frank Sharp of Black Diamond, and third by Tom Peaks of Dorothy. The cowboy race first went to Tom Peaks of Dorothy, second by Phil Desjardins of Wayne and third by J. Jerry of Glendon. The half mile Indian race was won by Dick Bad Boy, Glendon; second Donald McMaster, Glendon, and third, J. Jerry, Glendon. Half mile free for all, first Big Bad Boy, second Tom Peaks and third Albert McMaster. Boy's Pony race first was taken by Tom Peaks, Dorothy, second by Phil Desjardins, Wayne, and third by Pat LaPrade, Glendon of Wayne. The one mile Indian race was won by Dick Bad Boy followed by A. McMaster, second, and Snake Fight third. The ladies' half mile race, Snake Fight, Glendon, first, J. Jerry, Glendon second. One mile relay race was won by Phil Desjardins, second Tom Peaks.

The officer of the stampede were: President—Mrs. W. G. Nelson, Manager, Mr. J. C. Lawton, Assistant Manager, Mr. W. T. Treacy, Secretary, Mr. J. Bell, Treasurer H. L. Brown. Owing to the rain on Sunday the crowd and half were in good shape, with no dust. The horses and cattle were brought in during the rain from Tom Peaks' ranch near Dorothy.

The stampede judges were, Jack Miller of Husky, Tom Hodson of Gern and Bill Caldwell of Bassano. The announcer was Arthur Calhoun, first Flanagan. The race judges were A. Treacy, R. P. Snyder and John McNeil.

After the stampede events were over, Mike Bellinay of Calgary acted as a wrestling match with his contestants and three bouts in the hall. This was immediately followed by one of the best dances ever held here on the 24th of May, with music furnished by the Hawaiian orchestra from Calgary. The dance was managed by Mr. R. J. Bell.

While not so large a crowd as in former years was present, the crowd was good and the stampede was immensely successful, for those who had seen the W. I. Girls Club, and the Boy Scouts, also for the boys' Aid, as well as for the Stampede organization.

Crowfoot Notes

Crowfoot was visited again by another dust storm on Thursday. Several crops were badly wilted, but a splendid rain on Saturday night and Sunday has done much to revive the growing conditions.

Mr. P. Holan, 514 Rotherburn and Mrs. Hoffebrover attended a meeting on Friday at Standard in regard to the C. P. R. R. Contraband in the Western Section. Nothing definite can be reported, but petitions are out for all contract holders who wish to sign.

Mrs. H. E. Sheldrake and Mrs. P. Sheldrake and baby Lynn were week-end visitors at the Hoffebrover home. Eleanor Hoffebrover was at home for the 24th.

Bill Rotherburn, Tom and Bill O'Brien and Verla Campbell were invited to Husky to take in the Stampede.

Wedding bells have rung quite frequently of late in the district while the boys and girls are out in the Makoposko School. Congratulations and Best Wishes are extended to the happy couple. Who is next?

Mr. Fisher, a horse buyer from Nova Scotia, is again in this community purchasing horses.

Mr. and Mrs. W. B. Sloan from Calgary are guests of Mrs. D. C. Portney and family.

Jack and Fred Bulger and families enjoyed a fishing party on the 24th.

Mr. and Mrs. Arthur Guyatt and children were Bassano visitors on Saturday evening.

Miss Edith Smith spent the week-end with Mr. and Mrs. Pennewick.

Mr. Sidney Bray and his business trip to Calgary on Tuesday.

Special Meeting of Board of Trade

Plans Made for First of July Celebration

A special meeting of the Bassano Board of Trade was called by the President, Mr. James Johnston, on Tuesday evening, the meeting being held in the Town hall. This took the place of the regular meeting to have been on Wednesday afternoon, as there was no Wednesday half day holiday this week. The main business of the evening was the discussion of the Celebration to be held in Bassano on the first of July.

The dance committee reported that all arrangements for the opening dance of the season in the curling rink on Friday, June 11th, had been completed, and that the floor would be laid within the next few days.

Mr. Wm. McLane was appointed chairman of the Sports Committee for the first of July, and also as advertising manager. The board also decided to purchase enough material for the construction of more grand stand room along with a fence for the south side of the race track.

It was reported at this meeting that a number of cars were in the habit of using the race track for a drive way, and this some damage had already been done to the track shortly after the last rain. It is hoped that drivers will be more careful in the future, or it will be found necessary to enclose the track with a wire fence.

It was decided that a grand stand attraction should be put on on July 1st. If sufficient talent could be found in the district.

A report by the tree planting committee was made stating that a large number of trees and shrubs had been set out around the sports grounds, which would add color to the surround trees in a very short while.

The carnival committee was authorized to purchase material for the construction of new booths at the grounds and at the curling rink, the booths to be constructed in such a manner that they may be used from year to year, and taken down for storage after each celebration.

Final Meeting of Coronation Com.

Committee Turns over \$58.29 to Local Board of Trade.

The final meeting of the Coronation Committee was held in the Town hall on Friday, May 21st. The treasurer reported that there was a surplus of cash on hand after paying all expenses, of \$58.29, and it was agreed that this balance should be turned over to the Bassano Board of Trade for community purposes.

The financial statement showed the following:

Amount donated by local organizations	\$150.00
Net proceeds from dance	\$60.00
Less Expenses	\$151.72
Balance on hand	\$58.29

The World of Wheat

Bushels threshed can never be more than the rainfall will warrant.

That is a fundamental, natural law operative in Western Canada, and in any other semi-arid wheat areas in the world.

Fields, per acre, of course, are partly dependent upon many conditions which vary with each district: quality of soil, amount of evaporation, occurrence of frost and hail, amount of insect infestation, and of disease infection.

But the rainfall which occurs during the growing season, has been found to be far the most important factor governing bushels per acre.

How much rainfall is required? It produces an average wheat crop. Investigations that have been made by the late Sidney Harris at the Dominion Experimental Farm, Swift Current, and by the Research Department of the Barle Grain Co., seem to indicate that about 12 inches of rainfall is required to make an average crop. Of this some 8 inches is produced during the growing season, from April 1st to July 31st, and the balance 4 inches during the previous fall months of August and September.

Now rainfall that brings a higher yield, less rainfall brings smaller crops; less than 10 inches produces a small crop, less than 8 inches a complete failure.

The following factors have tended to raise the price—unfavorable conditions in importing countries. Complaints of rust in France—Croatian planting delayed in the Balkans—Drought in Australia and complaints of grasshoppers—Forecast of slight reduction in Canadian grain areas—Spanish pickled olive oil abnormally small—Irish Free State abolished customs duty on imported wheat.

The following factors have tended to lower the price—General rains in Russia and Balkan States—Argentina wheat arrives in the U.S. for probable trans-shipment to Mexico—Seedling wheat in Argentina—U.S. Government wheat stock estimate well-maintained.

An error occurred in the Recorder of two weeks ago. Bruce C. Bell is not married.

The W. I. will meet at the home of Mrs. Roy White on June 24th, and the constituency Convener, Mrs. N. E. Bell, expects to be present.

Her. H. C. Gordon of Langdon will conduct services for the Hussar Girls Club on Sunday, June 6th, at 2:30 p.m. at the hall. The Brownies, Cubs and Scouts have been invited to Cubes and Scouts have been invited to attend. There will be Baptismal services also.

Mr. and Mrs. R. C. Brewer motored to Calgary on Friday. Miss Marjorie Burrows, E. Ferguson, J. A. Rasmussen, had a hurried trip to Maple Creek, Sask. This week.

Miss Nancy Elliott returned from Calgary on Friday. Miss Marjorie Elliott went in on Friday with Miss Basser, teacher of Adams Lake School.

George Reeves, who returned to work after completing a year's work at the University in Toronto, came up to visit his friends and attend the Stampede.

Mr. and Mrs. Clifford and daughters Lila and June, were up on Arrowwood on Saturday.

Mr. and Mrs. Walters and family were over from Maplewood on the 24th.

Mr. and Mrs. Dave Christie of Calgary spent the week-end with Mrs. Christie's parents, Mr. and Mrs. T. I. Montgomery.

Assembly Meeting of Zone Three

An assembly meeting of Zone Three was held in the I.O.O.F. Hall on Thursday, May 26th.

All group in the Zone were represented. Mr. Meuller, president of the Constituent Association, was a guest and was accompanied by Mrs. Meuller.

Considerable business was dealt with in an effective manner, with most members bringing their own ideas into the discussions with a great deal of interest.

On the agenda, were seven resolutions, which were adopted unanimously by the Assembly. These resolutions dealt with the curtailment of highway maintenance, the rumor regarding the proposed removal of the local liquor store, the proposed reduction of the membership in the Legislative Assembly, and a resolution demanding that W. E. Cain, M.L.A. for Bow Valley return from his association with the so-called "insurgent" group in the Legislature and support Premier Abbott.

A motion from the floor that a standing vote be taken to determine whether the Assembly was opposed to the actions for Mr. Cain, whom stand that he had taken, was carried unanimously. After Mr. Meuller had read a short address on the developments leading up to the split in the Legislature.

A resolution that a meeting of the Constituent Assembly be held on Wednesday, May 26th, was also adopted.

The meeting closed by singing "God Save the King."

Hussar Lads Honor Miss Christina Hansen

Hussar, May 24th.—A very successful shower was held at the home of Mr. and Mrs. Ray Schoelling on Friday afternoon in honor of Miss Christina Hansen, who will be married at the same home on June 6th.

Schoelling's mother, Mrs. Anderson of Husky, was the hostess. The program consisted of musical selections, the bride to be received many beautiful gifts for her wedding.

Miss C. Hansen, daughter of Mr. P. Hansen, grew up in Husky and is popular here. She has spent the past few years in Calgary, where she will reside.

Countess Notes

Bassano Wins Two Ball Games

The local baseball team had quite a successful week-end, winning two games, one from Rosemary, and one from the Brooks Juniors.

As the season gets on the boys are showing the results of practice, both in their fielding and in their hitting. Before very long they will be able to stand up against any of the teams in the district and give a fairly good account of themselves.

Playing on a very muddy diamond, and under poor weather conditions, the Rosemary team went down to defeat at the hand of the Bassano boys in Bassano on Sunday. The conditions under which the teams had to play made it impossible for either team to give their best performance. However, the locals held an edge on the visitors and took advantage of errors to score, and played them safely.

The Rosemary team displayed a snappy brand of baseball, but lacked the pep that they presented when Bassano played on their diamond a couple of weeks ago.

Bassano 6-Brooks 3. Playing in Brooks on Monday, the boys presented a very fine team, played line-up, which proved capable of holding the Brooks Juniors down, and finally defeating the younger lads.

The game was a very closely contested affair. Brooks taking the lead in the first few innings. These boys are developing for a very fine team, and at present are capable of giving a splendid account of themselves.

Bassano's second game was a tie game on this made by team-mates. They also played a good game in the field, very few errors being made.

MR. BALDWIN

The other day, Prime Minister Stanley Baldwin presided over his last Council meeting—a Council of His Majesty's advisors from all over the world—and then quietly stepped out of the picture in favour of Mr. Neville Chamberlain, who will almost at once assume the reigns of office.

The hold which Mr. Baldwin has over the British Empire's people is extraordinary. No one can say that he is a great orator, yet the power and simplicity of his speech appeals, and he has managed to express in the most simple language the ideals of a nation perhaps better than it has ever been done before.

On matters of policy it mostly seems as if the job were being bungled, in the final analysis, everything seems to turn out right, and only added to the repute of the man.

Mr. Baldwin will retire to his farm, his pigs, and the rustic life he knows so much, which he has had so few opportunities to enjoy in recent troublous years. He and his pipe will be missed in the daily news, but he has left behind him a record of achievement hard to equal, and ideals of service which will long be remembered in the public life of the land which he served so well.

BIRTHDAY HONORS

The Coronation Honor List did not contain the names of any Canadians, except that of a Privy Counsellor bestowed at the request of the Federal Government on the Minister of Justice, who will hereafter be entitled "His Honourable."

The Federal Government through the usual channels requested His Majesty not to bestow any titles on Canadians. Of course the request was acceded to, but notwithstanding that, the ethics of making such a request might well be the subject of debate from many angles.

The main objection to titles in Canada is, of course, to those of hereditary variety, but there is no danger of us ever becoming overburdened with citizens of that class. And we would not want it? It is even a question if in England the adult population would favor the creation of such a system again, this being said with a due regard to the place which hereditary noblemen fill in the life of England.

There are of course, different outlooks on the matter. No one in Canada would be in favor of hereditary titles. Some favor conferring titles for merit, political and otherwise. Others want to bar the politicians altogether being suspicious of gentlemen of that ilk. And lastly there are those who say "No titles at all."

Certainly some of the titles conferred on Canadians in recent years can be open to but little objection if merit counts for anything; on the contrary they were pretty well earned if those bestowed on Sir Lyman P. Duff, Chief Justice of Canada, and Sir Edward Beatty, President of the C.P.R. are any criterion, to name but two of them.

THE B. C. ELECTION

Premier Pattullo of B. C. has called an election in our sister province, and will be opposed by candidates representing the Tories, C.C.F., Social Credit, etc., etc.

With improved conditions in the most westerly province, and a balanced budget to display, the Liberal leader apparently considers this an opportune time to test his party's strength at the polls.

As only seventeen Social Credit candidates have been nominated it is clear that that party cannot hope to form a Government even if all of them were elected, and that is not in the least likely.

The chances are that the Liberal administration will be returned. As an additional string to his bow, Mr. Pattullo made a trip to Ottawa, where in consultation with the powers that be, it was arranged that the Yukon, heretofore independent, would be added to the coast province.

This may, or may not, prove to be a good vote getter, but the interesting thing about it all, is that the good people of the Yukon do not appear to have been consulted about their wishes in the matter.

Such is democracy!

SALARY INCREASE

As a prelude to the retirement of Rt. Hon. Stanley Baldwin, the Imperial Government has made arrangements to increase the salary of the Prime Minister and other Cabinet Ministers. Mr. Baldwin knows that the salary is insufficient to support the many demands made on it, but characteristically would not stoop to take advantage for himself.

MR. CAIN'S POSITION

At the business meeting of the Bow Valley Social Credit Constituency Association, we understand that our local M.L.A. was instructed to support Mr. Aberhart and his Government, or resign.

Mr. Cain, one of the prime movers in the insurgent group, frankly told the meeting that he would not support the present Government, at least, unless it showed greater speed in implementing its promise to inaugurate the social credit era in the future than it has done in the past.

Apparently Mr. Cain will not resign, contending that there are less than 400 members in the Association now, whereas he was supported by 1,900 in the last election, and that he has a duty to perform to the other 1,500 odd who did vote for him, and are not now members in good standing.

"THE MAN WHO LIVED AGAIN"

The story of a man who went to the electric chair and survived the ordeal

Another good show will be presented on Friday and Saturday, June 4th and 5th. Watch for the announcement.

SHOW STARTS AT 8.30 P.M.

JAMES IN COURT CASE

CAUSE LAUGHTER

The "Fortnightly Law Journal" reports the following:

In a Los Angeles lawsuit, Judge Cosgrave asked the first defendant to give his name. "Marvin Cosgrave," replied the man indicated.

"And what is your name?" the Judge asked of the next.

"My name is Tony Pans," was the reply.

"Well, well," remarked the Judge, "Cosgrave and Pans, And now I suppose your name is Hat or Shoes," he continued, pointing to a third defendant.

"No, your honor, it's Harold Shurtz," replied the last of the trio, trembling for fear the judge would think they were playing a game on him.

Judge Cosgrave took a drink of water before saying anything more. Then in a sterner tone he asked whether defendants had a lawyer to represent them.

The trio looked at each other with serious faces, but said nothing. Then the prosecuting attorney, John Powell, volunteered the information that Charles Vest was their attorney, but that he was not present at the time.

After the uproar in Court had died down, Judge Cosgrave announced postponement of the case for one week when Cosgrave, Pans, Shurtz and their attorney, Vest, could all be in Court together.

What a Scout Troop Did

A story of the notable success of Scouting for boys and young men in Indian Penal Institutions was related by an Indian Scoutmaster before a Rotary Club in India. Twelve years ago he had suggested to the head of a large reformatory for boys that a Scout troop might help solve their disciplinary problem. He was told the idea was impractical, as armed guards were necessary to keep order, and discipline was only maintained by public floggings. He was, however, permitted to visit the institution once a week to introduce Scouting games, and before long he was permitted to live on the premises. A Scout troop was eventually started, three years after his departure. Recently he returned to find an amazing transformation. Armed guards were gone, floggings were things of the past. The boys were even permitted, upon "Scouts Honor," to visit their homes, and return at an appointed time. And to date not a single boy had failed to keep his promise.

"TO LONDON TO SEE THE QUEEN"

Bound for London and the colorful coronation attendant upon the coronation of H. M. King George VI, 168 High School girls from Canada and Newfoundland sailed from Montreal Friday, April 30, in the Canadian Pacific liner Duchess of Athol.

Travelling under the aegis of the Overseas Education League the students start their tremendous adventure by viewing the coronation procession from a stand in Hyde Park. Then will follow the quick succession of the Empire Youth Rally at the Albert Hall, May 18, the Empire Service of Youth to be held in Westminster Abbey, which will still be in its coronation trappings, at which the Archbishop of Canterbury and Dean of Westminster will speak, eight-riding in London, two weeks as guest pupils at famous English boarding schools, and two weeks one-hitting and hiking interspersed with

lectures by noted British authors at Eastbourne. They return to Canada aboard the Empress of Australia from Southampton, June 24, arriving at Quebec July first. Every province of Canada is represented in the party which represents the pick of Canadian students. An equal number of boys sailed two days earlier and will return aboard the Montcalm, from Liverpool, June 29, arriving at Montreal June 30. Educational authorities throughout the Dom-

inion co-operated in the selection of the students. Students who were unable to leave their studies for the coronation will have an opportunity of visiting the Old Country during Coronation year. Boys will leave in the Empress of Australia July 2, for a 57 day tour of Scotland, England and Germany; and girls, specializing on Great Britain, sail from Montreal the same day aboard the Duchess of Bedford. Both tours will be under the direction of the Overseas Education League.
